I'm confused - is this really 1:00 EST (Eastern time zone), 10:00 am our time? If everyone will be in the same room at the same time, I'd expect the time to be Alaska time, or 2:00 pm our time.

Also, 2/4/2011 is my flex day. I can do this call from home, but we'll need to make phone hook-up arrangements. If you will be in the office, I'd suggest that you call in to ADEC, then conference me in at home (206) 567-4355.
